

15 Most Successful Tough Interview Questions

Please answer these questions on a separate piece of paper, as you would answer an employer during an interview.

1. Tell me something about yourself?
2. Who will give you a good reference, and why?
3. If we were to call your last employer what would he/she say about you?
4. What do you hope to be doing in five years?
5. What are some of your strengths?
6. What is your biggest weakness?
7. What can you do for this company? Why should I hire you?
8. I've interviewed people with more experience than you, why should I hire you?
9. What kind of salary are you expecting?
10. What motivates you to do a good job?
11. Have you ever been convicted of a crime?
12. Did you ever have a disagreement with a boss? Why? Or Why not?
13. What two accomplishments have given you the most satisfaction and why?
14. What has been your most rewarding job so far?
15. Give an example of any major problem you faced and how you solved it?
